

# Forest School Lesson Plan 2

## 6. Game

Use skipping ropes to create circles. Each circle has a nature object. On instruction children have to race to object called out.

## 6. Reflect

Ask each child what they have enjoyed and what they haven't. Take note!

## 1. Introductions & Forest Rules

Display all the wood slices with symbols for rules. Check if they remember them and invite children to tell you more about each rule. Read another letter from Bella - explain we are learning about things that grow in nature.

## 5. Nature Art

Make a nature bouquet for Father's/Carer for Father's Day.

## 2. Snack & Story

Read Nature Trail by Benjamin Zephaniah during snack time.

## 4. Knots

Learn to tie a simple knot using a skipping rope

## 3. Nature Walk

Walk through Nature Garden, encouraging children to describe what they can see, smell and hear.
